

TECHNICAL DATA SHEET

DELUXE CALCIUM RINSE CALCIUM ROLLER CLEANER

DESCRIPTION:

Deluxe Calcium Rinse was formulated to dissolve calcium deposits not just on the surface of the rollers, but deep down into the rubber to give you really clean rollers. Calcium build ups can affect production costs and print quality if they are not treated. Deluxe Calcium Rinse emulsifies the calcium on contact when applied to the rollers, back cylinders and chrome rollers.

DIRECTIONS FOR USE:

Rubber Rollers: Clean all ink from press rollers. After rollers are clean and dry, disengage wash-up blade and apply product. Allow to run in for 2-3 minutes. Engage wash-up blade and rinse with warm water. **Chrome Rollers:** Wipe on cylinder and allow to penetrate for one minute. Remove with warm water. **Fountain Solution Additive:** Add ½ -1 ounce per gallon of mixed fountain solution if calcium precipitation from paper is severe. **Blankets:** Wipe the blanket with a sponge or shop cloth damp with Tower Deluxe Calcium Rinse. Followed by a sponge or shop cloth damp with warm water to remove any residue.

READ SDS BEFORE USE.

FEATURES AND BENEFITS:

- Removes calcium build up from rollers and back cylinders.
- Removes calcium contamination from the printing blanket, helps improve ink transfer.
- Desensitizes chrome rollers and back cylinders.
- Stops the build-up of calcium from alkaline papers.
- Can be added to fountain solution to prevent build up.
- Strong, effective cleaning technology.

SPECIFICATIONS:

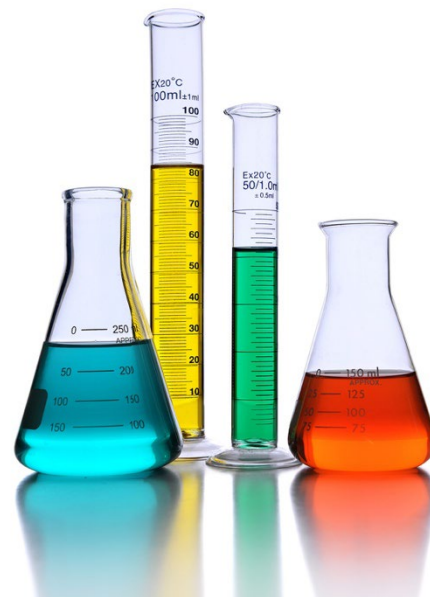

- **Flash Point:** Greater than 142 degrees F. (TCC)
- **Maximum VOC's:** 4%
- **pH Value:** 1.5
- **Appearance and Odor:** Clear liquid with mild acid odor

HMIS RATING:

Health: 3 Flammability: 2 Reactivity: 0 Personal Protection: C
Caution: Corrosive Liquid.

PACKAGING:

4x1 Quart Case, 12x1 Quart Case

Tower Products is a global manufacturer of pressroom chemistry. Our products are formulated to help increase worker safety and environmental compliance while at the same time providing the printer with the best possible solutions for their printing operation.

Our products include:

- Step Fountain Solutions
- Alcohol Replacements
- Premium Press Washes
- UV/LED Pressroom Chemistry
- Plate Cleaners
- Specialty Pressroom Products
